

## "PICTURE BRIDES" ANOTHER BIG PROBLEM IN CALIFORNIA JAPANESE AGITATION

The arrival of a picture bride in America. Future bride and groom snapped just as they were leaving the steamer after they had identified each other by means of photographs. He was trying to conceal his face when the photographer pressed the bulb.

San Francisco, Cal., April 15.— Ever since the United States abolished the immigration laws which prohibited the immigration of Japanese into California, Washington and Oregon, these three states have
